📁 CAREER OBJECTIVE

As a motivated recent graduate in computer science, I am passionate and enthusiastic about contributing to a dynamic team. I seek an entry-level position where I can leverage my creativity, skills, and problem-solving abilities. My adaptability allows me to embrace diverse work environments and stay responsive to future changes.

📁 PROJECTS

GeoGuide (sem 7)

- GeoGuide is a travel app that combines GIS and augmented reality to provide a more dynamic and informative tourist experience
- It uses real-time information and AR overlays to help users navigate, explore and learn about their destinations

📁 INTERNSHIP

Advanced Cyber Security & Ethical Hacking

Technmaghi

May 2023 | Ernakulam, India

- This internship strengthened my understanding of cyber threats and defensive measures
- Through this experience, I actively learned best practices for maintaining a robust security posture
